**Creator God, you crafted all reality.**

**In Jesus, the Christ, your love became human.**

**Through your Spirit, you call us to so much more than we can imagine.**

**But we doubt our own value.**

**We fail to trust the world-changing power of your love.**

**In the depths of our own struggle, we put up barriers for others.**

**Open our minds to believe you love us.**

**Open our hearts to the support of your people.**

**Open our lives to be transformed, as we seek to transform this world in love.**

**We open ourselves to your grace.**

**Receive our worries and joys, our questions and our silent prayers.**

**Hearing****Scripture Reading**

Luke 5:1-11 CEB

**5** One day Jesus was standing beside Lake Gennesaret when the crowd pressed in around him to hear God's word. **2** Jesus saw two boats sitting by the lake. The fishermen had gone ashore and were washing their nets. **3** Jesus boarded one of the boats, the one that belonged to Simon, then asked him to row out a little distance from the shore. Jesus sat down and taught the crowds from the boat. **4** When he finished speaking to the crowds, he said to Simon, "Row out farther, into the deep water, and drop your nets for a catch."

**5** Simon replied, "Master, we've worked hard all night and caught nothing. But because you say so, I'll drop the nets."

**6** So they dropped the nets and their catch was so huge that their nets were splitting. **7** They signaled for their partners in the other boat to come and help them. They filled both boats so full that they were about to sink. **8** When Simon Peter saw the catch, he fell at Jesus' knees and said, "Leave me, Lord, for I'm a sinner!" **9** Peter and those with him were overcome with amazement because of the number of fish they caught. **10** James and John, Zebedee's sons, were Simon's partners and they were amazed too.

Jesus said to Simon, "Don't be afraid. From now on, you will be fishing for people." **11** As soon as they brought the boats to the shore, they left everything and followed Jesus.
